SEEING GOD AT WORK
IN THE UNEXPECTED

Taking a Closer Look

Roger Ellis | *Lead Pastor*
Genesis 37, p.27

1. God is sovereignly working out His plan in you

2. Don't focus on the frame, focus upon the picture

the one thing:

The events of your life are allowed and used
by God to frame Jesus for those around you!

TAKING IT HOME NOTES FOR SMALL GROUP & PERSONAL STUDY

1 KEEPING IT REAL

In 1891, when Winston Churchill was 16, he told one of his friends that someday England would be subject to a "tremendous invasion," and said, "I shall be in command of the defenses of London, and I shall save London and England from disaster." How might have you reacted to Churchill had you been that friend?

2 LOOK AT THE BOOK

What significance do you think Joseph attached to his dreams at the time they occurred? Do you think he considered them prophetic?

3 What do you think Jacob taught his sons about God's covenant? How might those teachings have affected their jealousy toward Joseph?

4 THE NEXT STEP

Take note of ways in which you think God may be speaking to you. Pray about what He might be revealing (1 John 4:1).

NEXT STEPS

- Memorize Acts 4:13.
- Dive into Matthew 26-27 and John 18-19.
- Tell someone else how you see Jesus in them.
- The *Good Friday Experience* is coming – April 14.
