

LET'S TALK ABOUT HIM!

GOD...

Questions to unpack our story | February 14, 2021

FAMILY Q & A:

1. How did Esther become queen of Persia?
2. Why was Haman trying to kill the Jews?
3. What did Queen Esther have to do to help to save God's people?
4. Why did Satan want to destroy the nation of Israel?

Think about it...

God's name is never mentioned in the book of Esther, and yet God was in control through every situation.

Has your family ever been in a hard situation like Esther? God says in Romans 8:28 "And we know that God causes everything to work together for the good of those who love God and are called according to His purpose for them." (NLT)

God is in control of everything that happens to your family and promises to work everything together for good, even if you can't see it right now. Trust God. He is in control!
