

# LET'S BE DISCIPLES

# GOD...

A disciple is a follower of another person you believe in. This week we're going to learn about a man Jesus called to follow Him, or be His disciple. As a disciple, this person would need to listen to, obey and do exactly what the other person said and did.

Let's practice being disciples today! Using the supplies below, listen carefully to the person giving directions. Remember, you are their disciple! Do exactly what the person says and see if your finished product looks anything like the person's giving directions.

## SUPPLIES:

- Pipe cleaner
- Variety of beads (approximately 30-32)

## DIRECTIONS:

1. String beads on the pipe cleaner until it about  $\frac{1}{2}$  to  $\frac{3}{4}$  covered with beads
2. Be sure to leave equal amounts of pipe cleaner on both ends
3. Fold the pipe cleaner in half, and twist the lower part not covered with beads together, just under the beads (see photo)
4. Shape the beaded section into the form of a fish
5. Does your fish look like your leader's fish?
