

REBUILD THE WALL

The wall around the city of Jerusalem was broken down and the gates had been burned. Nothing was protecting the people who lived there. When Nehemiah heard this, it broke his heart. He had to do something!

Nehemiah helped the people of Jerusalem to rebuild the wall around Jerusalem. The people worked with all their heart. Each family worked on a section. With God's help the wall was completed in 52 days!

Having God's help and heart to do the work He's called you to do is so important. God wants each of us to do our part in His big story and plan. Let's build a wall today, each doing our part towards the whole.
